Vol. 2 - No. 25

SAINT JOSEPH'S COLLEGE, CALUMET CENTER

Thursday, April 26, 1962

## Reverend Cletus Kern To Celebrate His Silver Jubilee May 6

Reverend Cletus G. Kern, Assistant Director and Registrar at Saint Joseph's College Calumet Center, will celebrate his twenty-fifth anniversary in the priesthood on May 6.

Attending Saint Charles Seminary, Carthage, Ohio, Father Kern was ordained to the Society of the Precious Blood in 1935.

He received his M.A. in philosophy from the Catholic University of America. He then returned to Saint Charles Seminary where he taught philosophy for two years.

Joining Saint Joseph's Rensselaer faculty in 1940 as a philosophy instructor, he proceeded to become registrar and then director of seminarians. Father Kern came to the Center in 1959 where he was assigned his present position. He is also currently teaching moral principles and medical ethics at both St. Margaret's and Mercy Hospitals to student nurse classes.

Father Kern plans to celebrate his anniversary on May 1, in Rensselaer with a few friends. His home parish, St. Mary's Church, Defiance, Ohio, is also planning a celebration which is scheduled for May 20.

Father Kern

“Aside from the spiritual benefits and privileges which have come to me through my twenty-five years as a priest in the Society of the Precious Blood,” stated Father Kern, “perhaps the most gratifying experience has been my association with the thousands of students, past and present, who have been imbued with the spirit that is Saint Joseph's College.” The priest further emphasized, “I hope I have made some small contribution in the twenty-two years I have been a member of the faculty.”

## Sophomores Hold Gathering May 1

The Sophomore Class, headed by President Joe Modjeski, will sponsor a “get together” May 1 in our school's lounge. The party will last from 8 p.m. to midnight and admission will be \$.50.

## “SAVE THE DUNES” COUNCIL TO MEET MARCH 30, AT 7:30

Faculty, students and guests are invited to attend a meeting in connection with the work being done by the “Save The Dunes Council.” On March 30, at 7:30, in the downstairs lounge, the Council will show a twenty minute color and sound movie entitled “Save the Dunes.” Mr. John Nelson music teacher in the East Chicago School System will be present to narrate the movie, and also to answer any questions the audience may have.

Mr. Raymond Humpfer, Admissions Counselor, is the faculty advisor for this event and in a recent interview concerning this he stated, “For many years the Indiana's Save the Dunes Council has worked to create a National Park to save the Dunes from destruction. At the present there is a bill in Congress concerning the Burns Ditch which if it should fail could lead to added taxation on the public.”

The “lame duck” officers would especially like to see the newly-elected Junior Class officers present. Everyone is invited and guests are welcome.

## Final Plans For “Michi-Yuki”

Bobby Christian and his orchestra, entertainers for this year's University Ball, have done much traveling during the past years most outstanding of which is their tour of Europe with Arturo Toscanini.

Christian, who used to play with Percy Faith, has a fifteen piece orchestra and special sound equipment which produces stereo phonic fidelity.

Among some of the colleges and universities for which he has played are; Notre Dame, Saint Joseph's, Purdue, Indiana University, and University of Wisconsin.

The four centers in the Calumet area are sponsoring the Ball, and much work and effort has gone into its preparation.

The Dance Michi Yuki, (Journey of Love), will be held on June 2, at the National Guard Armory. It will begin at 8 p.m. and end at midnight.

Phil Seroczynski, present Student Council President, stated that last year's dance was very successful and that there is great hope of making this year's even more so. Phil also said that tickets may be purchased from any Student Council member.

Seroczynski also stated that students may bring guests to the Ball however the student extending the invitation is responsible for their conduct.

## Open House

ON APRIL 15, ST. JOE STUDENTS entertained guests at the Open House. Herman Jerry, left, and Bill Wides, back turned, are shown answering all questions of the concerned parent and son.

## Annual Dance Set For May 12

The senior class of St. Margaret's School of Nursing is sponsoring their annual class dance. Entitled “Special Occasion”, this year's dance will be held at the Woodmar Country Club from 7 p.m. to 1:30 a.m. on the evening of May 12.

Following cocktail hour at 7, dinner will be served at 8. The conclusion of the dinner will find this year's king and queen being crowned. The queen will be selected from the senior nursing class, and the king will be chosen from the staff of doctors.

## Staff Members Needed Next Year

During the past year, SHAVINGS has increased to a six page, weekly student publication. This has been done under the direction of Miss Rosemary Coleman, Instructor in English, and Mr. John Swanke, Instructor in philosophy.

Paralleling the growth of the paper has been the growth of the student body. To cover student news accurately and completely, SHAVINGS asks students who would like to work on the staff next year to contact any staff member.

Besides the opportunity of meeting new friends, working on the school paper is a valuable addition to one's college record.

# Student Council Corner

By LIZ SZELESTEY

Upon looking back over the past year, one can readily discern many worthy Student Council achievements. Its major accomplishments include the prom, the Indian Summer and Halloween Dances, the Christmas Party, and the March of Dimes dance and basketball game. Council members have also participated in the Freshman orientation program and the President's Reception last October. Much credit is due to the executive members of the Student Council, Phil Seroczynski, president, Mike Haviley, vice-president, Tom Cardis, treasurer, and Lona Murzyn, secretary, and to its subsidiary committees for a precedent well deserving imitation.

Each class also contributed its share to the wealth of activities of the year. Indubitably, however, the major contributor was the Sophomore Class under the leadership of Joe Modjeski, president; Dan Lowry, vice-president; Christine Chandler, treasurer; and Liz Szelestey, secretary. This class has provided a bake sale, hayride, and turkey raffle. It also donated to the Salvation Army at Christmas and co-sponsored the Valentine Dance with the Freshmen.

Liz Szelestey

Although the latest to be established, the Freshman Class ranks second in their contribution to student affairs. This class, following the example set by the Sophomores, sponsored a successful bake sale and hayride. As mentioned above they also co-sponsored the Valentine Dance. Congratulations to the officers—Scott Boyett, president; Tom Keen, vice-president; Madeleine Frechette, treasurer; and Narcine Sherpetosky, secretary, for a job well done.

The Junior Class, headed by Vince Chiaro, president; Bill Halaschek, vice-president; Louis Keen, treasurer; and Kathy O'Toole, secretary, managed to support a clothing drive, the result of which was turned over to the Bishop's Relief Fund.

Last, but not least, the Senior Class has not sponsored a single activity during the past year. Walter Schultz, president; Ray Golarz, vice-president; Tom Enuro, treasurer; and Ruth Szot, secretary, have joined the complaint of the Juniors that not enough could be done with their small classes. This excuse hardly appears satisfactory after scrutinized closely. Firstly, the two classes could combine and co-sponsor some project, therefore including more students. At any rate, the school is small and close enough that class distinctions are not very prominent, and any activity, no matter who the sponsor, is usually well received by the whole school.

It can only be hoped that the newly elected Student Council and class officers will be able to continue where last year's officials left off; that the school and its activities will become as progressive and expansive as its students; that there will be an attempt to satisfy the diversified needs of married, part-time, full-time, and working students; that the various major and minor areas of concentration will be represented and various activities be provided to supplement their classroom education. In other words, perhaps a little less emphasis on social activities and a little more on the educational, cultural, religious aspects of the College—or at least give the latter an equal footing with the former.

## Tocyap Fund Ends For Summer Recess

The final report on the Claro L. Tocyap Fund Drive is that \$50.00 has been sent to this Filipino seminarian. Viltis Vaichunas and Betty Ann Burch collected \$35.00 from students and faculty by means of containers in the library and bookstore, the Sophomore Class donated \$5.00, and the Fine Arts Club \$10.00. The Freshmen Class has now adopted Claro for their three remaining school years.

There is a serious shortage of priests in the Philippine Islands. It is not unusual for one priest to have a parish of 10,000 souls scattered over a wide area. An ordinary Sunday collection in such a parish may total 35¢. There are many pagans in Claro's home province, many Aglipayan schismatics and a few remaining pockets of Communist "Huks" in areas of the Philippines. There is much work to be done and too few priests to do it.

The \$50.00 that has been sent to Claro has helped him not only financially but also by lessening his money worries and giving him encouragement. If he perseveres and becomes a priest, each of those who donated to help him attain this great office can feel he or she has a part in helping 10,000 souls half a world away.

"Selfless giving is the essence of charity. St. Joe students and faculty have shown real charity in donating to this fund without a gimmick," Betty Ann said. Viltis added, "We want to thank all the faculty members and students who donated, the two organizations that aided us substantially, and SHAVINGS for its fine cooperation. We wish the Freshmen Class every success in its plan to continue helping Claro."

## Commerce Club Makes Last Tour

On April 12, the Commerce Club at Saint Joseph's College Calumet Center concluded its 1961-62 year making a trip to International Harvester in Chicago.

The group gathered at International Harvester at 1 p.m. They were met by Mr. Walter Hopkins who explained that this Chicago plant is one of the plants owned by the company. He went on to say that the visitors would not see the construction of an actual finished product for this plant is responsible for making many of the smaller parts necessary to the bigger machines sold by the company.

After Mr. Hopkins' brief introduction the club and its sponsor Mr. Fattore, Instructor in business, toured the plant under the direction of Mr. Jessari and Mr. Doherty. Special emphasis was given to the ball-bearing, screw machine, conical and the bolt and nut departments. The tour lasted about one hour and fifteen minutes.

## Educators Rap TV Commission

One educator testifying at a Federal Communications Commission hearing has urged the commission to "come to life" and a second call for formation of a guidance committee to help local television stations improve their shows.

Dale Pontius, associate professor of political science at Chicago Roosevelt University, called on the commission Tuesday to "come to life" and deny license renewals to television stations that refuse to improve the quality of their program.

## Students Elect Class Officers

Last week class elections were held, and the results are as follows:

Senior Class, President, Bob Kearney; Vice President, Bill Wides; Secretary, Jocelyn Kissela; Treasurer, Mary Lou Kent. —

Junior Class officers are; President Jim Kick; Vice President, Bill O'Malley; Treasurer, John Dvor-

ske; Secretary, Mary Stokes.

Sophomore Class officers are President Joe Gloriosio; Vice President, Maureen Clancy; Secretary, Roberta Gabrys; Treasurer, Ilona Werner.

## Roving Reporter

WHAT ARE YOUR PLANS FOR THE SUMMER?

**ROVING REPORTER**— "I'll be thinking of new questions that I can ask students next year."

**TED MASON, Senior**— "I'll be working for the East Chicago Park Department and going full-time at St. Joe's taking courses in philosophy, history, and religion. I'll probably conclude my summer by going on a vacation in August."

**TOM KEEN, Frosh**— "I'll be working part-time at Keen Foundry, and the rest of the time I'll be out at Cedar Lake loafing."

**NON YATSKO, Frosh**— "The same thing I did this winter—worrying about school and work, but I'll be doing it at the beach."

**TIM ZAREMBA, Sophomore**— "I'm going to work and go to St. Joe's for the first half of the summer, and then I'll be a surf bum for the rest of the time."

**JOHN DVORSKE, Junior**— "Money, money, money."

## Student Spotlight

Originally from southern Illinois, Freshman President Scott Boyett has lived in central Illinois, Pittsburgh, Pennsylvania, and Corbin, Kentucky. After graduating in 1955 from Saint Camillus Academy in Corbin, Scott joined the Air Force. He spent most of his tour of duty in Newfoundland and was stationed at times in Kansas, Wyoming, and New York. Scott now lives in South Hammond.

Scott Boyett

While in the Air Force, he served as chaplain's assistant. After his discharge, he spent two years at the Trappist monastery near Atlanta, Georgia.

Employed by a major downtown Chicago hotel, this freshman is majoring in management and minoring in accounting. He hopes to get into the public relations field, probably in hotel management.

Scott's favorite pastime is reading. Besides this, he likes to relax by playing golf.

# SHAVINGS RECALLS '61 - '62 STUDENT LIFE

## Monsignor Conroy Addresses Center Retreat Group

Reverend Joseph Smolar, C.P.P.S., Dean of Students, has given final talks concerning the day of retreat for Center students.

Father Smolar designated March 7, Ash Wednesday, as the day, and immaculate Conception Church in East Chicago as the locale for this religious exercise.

Services began with a conference at 10:00. At noon, Mass was offered, and Blessed Ashes were distributed. The third conference was held at 1:30. The second to the last conference was held at 2:30. The day concluded with a short conference and the offering of benediction.

The Very Reverend James P. Conroy addressed the group conferences. Monsignor Conroy graduated from Saint Joseph's in 1932. He attended Saint Mary's of the West Minnery, Cincinnati, and was ordained in 1938. He has been active and around the Fort Wayne diocese in journalism, broadcasting and youth affairs. Monsignor Conroy is the national director and under of the "Fighting 69th," a national organization for Catholic high school students. He also writes a regular column in the Sunday Visitor.

## Voting Machine Used For Elections

Ed Latek, in order to ease the election days' turmoil, with the aid of Dr. Richard L. Dean and Mr. Alec Lazur, arranged to have a voting machine delivered to the school, on Thursday and Friday.

Latek informed the present Student Council, which is conducting the elections that the machine will arrive at school early Thursday morning.

## One Act Plays A Smashing Hit

The East Chicago Washington auditorium was the setting for a momentous step taken by the Calumet Center of St. Joseph's College on Saturday, November 18. It marked the beginning of a new trend—perhaps a tradition—for the school. The Fundamentals of Acting Class in coordination with the Fine Arts Club and under the supervision of Dr. Richard Dean, staged three one-act plays: "The Bald Soprano," "If Men Played Cards as Women Do" and "The White Dove."

## Student Spotlight

In an attempt to introduce club and Council officers to the student body SHAVINGS decided to run the column "Student Spotlight".

In this column the reporter asked the officers what their clubs have done during the year and what their future plans entail. Also asked of them was their favorite sports or hobbies and what their plans were for the future.

Since the coming year will bring in new officers SHAVINGS will again interview these people in hopes of bringing about a closer union in the student body.

## Delta Epsilon Sigma Honor Society To Be Installed at the Center

The administration of St. Joseph's College Calumet Center is making plans for the formation of a chapter of Delta Epsilon Sigma, a national honor society. Requirements for membership are: that an applicant must be at least a junior or senior with an accumulative index of 3.00. It is also open to alumni and faculty members.

The Rev. Edward A. Maziarz C.P.P.S. of Rensselaer campus is now national president. The society had its beginning at Loras College, Dubuque, Iowa in 1938. Since then it has grown to national prominence, with chapters in almost every Catholic college in the United States.

Later this month initiation for new members will take place at Rensselaer. Students at Calumet Center who have expressed interest are: Paul Brinley, 3.88; Ted Mason, 3.76; Virginia Petritis, 3.03; Leonard Czapkowicz, 3.08; and Kathy O'Toole, 3.20. Any one else who is interested and meets the requirements should make an attempt to find out more.

## Feddeler Farm Invaded By St. Joe Students

A brisk evening, a big group, and lots of singing, all added up to one wonderful time for all those students and faculty members who attended the hayride on Nov. 26. That night all term papers and studies were set aside to enable everyone to take an active part in the second project ventured by the freshman class and their newly elected officers.

Feddeler's Farm in Lowell was the scene of this event. At 8 p.m. that night the quiet farm atmosphere was turned into a rollicking roar of singing and the beating of bongos.

## Plenty of Clubs for Students

by Liz Szelestey

Saint Joseph's Calumet Center has developed certain organizations, some of them under the Student Council and others independent, in order to fulfill the social obligations so necessary for school spirit.

Under Student Council supervision are the cheerleaders and the social committee. Independent associations include the following clubs: Athletic, Bowling, Commerce, Choral, Future Teachers, Fine Arts, and Weight Lifting, plus the newspaper staff. With such a variety, each student should be able to find an outlet for his or her interests and talents.

## Commerce Club Visits Brewery

On April 5 Commerce Club members under took a field trip to the Schlitz Brewery, Milwaukee, Wisc.

Boarding the bus at St. Joe's, the group arrived at the brewery at approximately 1:00p.m. A 45-minute tour of the brewery then began. Afterwards, refreshments were served.

Besides members, anyone interested in the excursion was welcomed to come. The tour was \$2.50 per person.

## Fine Art Club's "Blithe Spirit" Is Top Performance

On March 24, at the Whiting Community Center, the Fine Arts Club of Saint Joseph's College Calumet Center presented a comedy of English manners, "Blithe Spirit," by Noel Coward.

The play was the result of the combined efforts of many. Denver Sasser and Margaret Frechette outstandingly portrayed a typical English couple, Mr. and Mrs. Condomine. Their home is the setting for this mad farce, revolving around seances, spirits, and mediums. Jocelyn Kissela played the deceased Mrs. Condomine, with a delightful arrogance. She created turmoil and added laughter to their lives. To add to the variety of characters, Ernie Roth played the incompetent but prosperous Dr. Bradman with Mary Lou Kandalac as his flighty wife. These characters are all involved in a seance conducted by Madam Arcate, played by Madeleine Frechette, resulting in hilarious consequences. Completing this capable cast is the maid, portrayed by Kathy Shatkowski, whose role, unaware to the audience, till the third act, became a major one.

All are to be congratulated on their fine performances. The play was highly successful. The play was acted in conjunction with the capable assistance of Dr. Richard Dean, the director.

## Growth Plans At St. Joseph Are Reviewed

Correlated development of anticipated growth plans pertaining to both plant facilities and enrollment were extensively reviewed by administrators of St. Joseph's College Calumet Center in a meeting in East Chicago.

The Very Rev. Raphael H. Gross, C.P.P.S., president of St. Joseph's College, headed the Rensselaer campus delegation which met with the Rev. Henry J. Martin, C.P.P.S., Dean and Director of the St. Joseph's College Calumet Center, and his administrative staff in the offices of Irving L. Lewin, chairman of the Lay Advisory Board of the Calumet Center.

## STUDENT UNION PROMOTES GAME TO HELP POLIO FOUNDATION

St. Joseph's Calumet Center Student Union, in conjunction with Calumet Chapter of the Parents Club, sponsored a basketball game, day, Jan. 29, 1962, in the Washington High School Gymnasium, between the Pumas of St. Joseph College and the team from Illinois Wesleyan. The proceeds of this game went to the March of Dimes campaign and the St. Joseph's Calumet Center building fund.

Impetus for this project was begun by the Calumet Chapter of the Parents Club with Justin Seroczynski, President. The efforts of the Club have been bolstered by the work of the Calumet Center Student Council officers.

## Indian Summer Dance a Success

The Indian Summer Dance sponsored by the Student Council took place at Saint Thomas More's Hall in Munster Saturday, September 9. Between 9 and 12 the hall rocked with the music of Eddie Jay and his orchestra.

The theme was elaborated upon by the presence of a small Indian-type village consisting of a tepee, some cornstalks and an Indian family.

## Frosh Assume Tocyap Drive

After looking for a project to sponsor, the freshman class decided selecting an orphan to support Chicago. When Betty Burch of their plan, she suggested they take over the Claro Tocyap Drive instead.

Freshman President Scott Boycott thought it was a good idea, and other officers approved. They decided to keep this drive a project until they graduate in

Plans now call for a magazine drive to be held this summer. Issues of such Catholic magazines as Extension, Information, Catholic Digest will be collected and redeemed.

The class will soon hold a meeting to see in which other ways it can raise money. This meeting probably be held after the final examinations.

All those interested in helping with the drive are asked to contact Scott Boycott. Any help and contributions will be appreciated.

# IN AND AROUND THE CALUMET CENTER

## Choral Group Appears On WGRY, Dec. 23

Saturday, Dec. 23, was the date set for the radio performance of the Christmas program presented by the Calumet Center Choral Group. The performance was broadcasted over Gary radio station WGRY at 3 p.m. Miss Scozzaro, who is sponsoring the Choral Group, explained they put many arduous hours of practice into this presentation. She continued by saying the program will include renditions of many favorite yuletide carols and hymns.

The group from the Center contributed to the Christmas spirit throughout the area, not only by their radio broadcast, but also by several guest appearances. The East Chicago division of the Hoosier State Bank was visited by the vocalists on Wednesday, Dec. 20, at noon. The two area hospitals, St. Margaret's and St. Catherine's, were points of entertainment for our group. St. Ann's Home, in Hammond, was the final trip for the carolers.

## Phi Tau Alpha Holds First Meeting Of New Semester

Phi Tau Alpha, formerly known as Future Teachers Club, held its first meeting of 1962 on Feb. 5, in the first floor lounge. Mr. Bernard Melevage, Director of Guidance, and sponsor of the club, explained today there is a demand for teachers in various fields on the elementary and secondary levels.

Mary Kay Mathieson was elected vice-president of the club.

Plans for future activities include a bake sale which will be held sometime during the month of February.

Miss Idajean Wendall, president, said the proceeds from the bake sale will be used to sponsor a dance which will be jointly sponsored by Phi Tau Alpha, the Bowling Club, and the Commerce Club. The date of this dance has not been officially announced; however, it will be sometime in March.

## Remember Mass at Noon

## Students Place Call To Kremlin

Three sophomores, Pat O'Rourke, Joe Modjeski and Richard Maroc, have been trying to reach the Russian Premier, Nikita Khrushchev.

The first attempt was made Oct. 29. The overseas operator connected the trio with the Paris operator. Due to a technical difficulty, the call could go no further.

The second attempt was made later. Once again the call went through to Paris. The Paris operator was more successful this time. She reached the Kremlin and a high state official. The fellows could hear the Russian official, but he could not hear the students, so the second attempt failed.

The last attempt almost made it. The call went through to the Kremlin, but the students could not miss their classes, so they were forced to give up the call. Mr. Khrushchev was being located at the time the trio hung up.

## Art Club Meets Elects Officers

Recently the Fine Arts Club held its first meeting in the art room. Miss Scozzaro, Miss Spuehler, Dr. Dean represented the fine arts departments.

The results of the election of officers are as follows: Jocelyn Kissela, president; Kathy Mullar, secretary; Grace Kovach, treasurer; Jim Repko, program chairman. Suggestions for a trip to the Lyric Opera House were made and it was decided that "La Forza Del Destino," Nov. 4, will be the first opera to be attended. Oct. 20, the club will also attend an art exhibit at Indiana University Gary Extension. The plans for the "Sound of Music" are not yet definite.

An introduction to the arts was given by the representatives of art, music and drama departments. The art exhibit and opera as well as poetry conference held in Gary Oct. 7, 8 and 9, were discussed briefly. Arrangements for presenting one-act play program were also begun.

When the meeting concluded twenty members who attended were served coffee and cookies. The date of the next meeting will be posted on the Fine Arts Club bulletin board.

# WHAT MORE CAN THE SHAVINGS STAFF SAY?

## Good Turnout at Hayride Father Martin Promoted To Full Professor

Approximately 75 people turned out for the hayride held on Oct. 7. Most of the students were from the Center, but a few came from the campus in Rensselaer, a few nurses came from the hospitals, and several were guests of St. Joe's students.

The ride started at 8:30. The itinerary comprised several country roads and also several side streets in Munster. Remains of the ride were to be found wherever the wagons went; such things as shoes, hats, hay and students were constantly being tossed from the wagons.

On two of the wagons, rollicking ree-for-alls continued from beginning to end. Joe Modjeski, who drove one of the trucks, made a very interesting observation: the truck was controllable without a driver. At one point, Joe decided to take part in the festivities and jumped out of the cab of the truck. Talk about excitement!

The ride lasted for two hours and when the group returned to the campus determined to devour the hot dogs, potato chips, and cider waiting for them in the trunk of Dan Lowry's car. What a surprise when Dan announced that he had lost the keys to the car. Never let it be said that such a little thing as that stopped anybody from St. Joe from having a good time. Several "car-wreckers" proceeded to remove the back seat of the auto, and then Bill "Peanut" O'Malley climbed into the trunk and opened it from the inside, saving all the famished guests. Thank you, Bill.

### Halloween Dance Is Big Success

St. John's Panel Room was the scene of the Halloween dance sponsored by the Student Council on Oct. 31.

The faculty and students were not obligated to wear costumes, but nearly everyone attending did come in his best Halloween finery. The costumes were judged during the Grand March by Father Martin, Father Smolar, Father Kern, and Dr. Dean.

The judges admitted that they had a difficult time deciding on the winning costumes, but the final decisions were as follows: the most unusual costume worn by a faculty member, Mr. Lazur dressed as Nero; the cutest couple, Non Yatsko and Tom Keen dressed as a Hawaiian couple; the most elaborate costume, Bill Sedlak dressed in a Scottish kilt; the funniest costume, Ray Tobias dressed as "Little Bo-Peep"; and the most unusual costume, Bob Horn's harem girl, Irene Beres.

Promotion of the Rev. Henry J. Martin, C.P.P.S., Dean and Director of Saint Joseph's College Calumet Center, to the rank of full professorship has been announced by the Rev. Edward A. Maziarz, C.P.P.S., Academic Dean of Saint Joseph's College.

"It is my pleasure to inform you that you were promoted to a full professorship at a meeting of the President's Council. You are to be congratulated for your many years of service to the cause of Catholic education and specifically to Saint Joseph's College and the Calumet Center. I hope that God will give you many more years of faithful service," Father Maziarz said in informing Father Martin of the promotion.

### "Michi Yuki" To Be Theme of University Ball

On March 19, the Student Council of Saint Joseph's College Calumet Center held a meeting. At this time President Seroczynski announced that the annual University Ball would be June 2.

Phil stated that the dance, which is sponsored by Indiana Extension in Hammond and Gary; Purdue, Hammond, and Saint Joseph's College, will be held at the National Guard Armory on 173rd Street, three blocks west of Kennedy Avenue.

Each of the four schools involved has certain responsibilities: Indiana Universities, decorations; Purdue, music, tickets, refreshments; and Saint Joseph's, financial situations.

### Four Years Old Last Jan. 23

Miss Viltis Vaichunas, librarian at the Center, announces that the Center's library recently celebrated its fourth birthday.

Our library was officially opened on Jan. 23, 1958. Father Charles Banet, C.P.P.S., head of the Rensselaer library, was present.

The first library patron was Sister Mary Laura, P.H.J.C., who is Father Banet's sister.

### Students Satisfied With Class Rings

The students desiring class rings have been fitted and the order taken. The students who bought the rings agreed that there was an excellent selection and they approved of the design. In all, nineteen rings were ordered, a greater number than was anticipated. There were three choices: red stone, blue stone or black onyx. The red and blue rings are \$38.07; the black onyx is \$35.67.

The red and blue rings were the most popular choice: seven students ordered red; six ordered blue; and six ordered black. Ten seniors and nine juniors placed orders. Delivery has been promised for December 8.

Arrangements have been made for Mr. Albertson, the representative of Josten's Jewellery, to return in February to take additional orders.

### Future Teachers Elect Officers

The Future Teachers Club of St. Joseph's College C.C. met on Monday, Nov. 20, in order to elect new officers and to benefit from the valuable experience of student teacher Tom Emro.

Following Mr. Emro's discussion, the president, Ruth Szot, conducted the elections for officers. Idajeon Windell was elected next year's president. Eleanor Carnowski, Beth Groff, and Maria Pavlovich are the new vice-president, secretary and treasurer, respectively. Volunteer members for the membership committee were Nan Hedinger, chairman, Bessie Westmoreland and Mary J. Tsangaris.

### Equal Time For Vince

On Wednesday, March 28, in political science 22-A class, Ed Latek, candidate for Student Council president, gave a political speech as a living example of what is currently being studied in class. His opponent, Vince Chiaro, later asked Dr. Dean, Assistant Professor of speech, in whose class the speech was given for "equal time." Dr. Dean granted him the time, and Vince spoke Friday, March 30.

### Commerce Club Elects Officers

Friday, September 1, was the initial meeting of the Commerce Club for the new school year. The purpose of this meeting was to elect officers.

Chosen to succeed Leon Kmic as president is Jerry Stano. Jerry has the necessary education, experience and interest to qualify as a capable leader. Other members of the new administration include Vince Chiaro, Vice President; Andy Dougherty, Secretary; Ray Tobias, Treasurer. There are two positions yet to be filled: Program Chairman and Publicity Director. The newly-elected president says he expects to have these two positions filled very shortly.

Even though it is still early in the year, Mr. Fattore, faculty advisor, has noticed a great interest among the students for the Commerce Club. Although exact figures are still unavailable, there has been a considerable increase in the club's membership. All Commerce students are strongly urged to take an active interest in their organization.

### Art of 'Make-Up' Demonstrated

Recently the Fine Arts Club of Saint Joseph's College was privileged to have Mr. John Geffert, make-up artist for the Saint John Marian Theatre Guild, give a demonstration on proper application of stage make-up.

Mr. Geffert pointed out the use of two types of make-up, the liquid and the grease paint techniques. To illustrate this demonstration he used Jocelyn Kissela, president of Fine Arts, and Ernie Roth. By using the liquid technique on Jocelyn he was able to make her look between the ages of twenty and thirty. On Ernie he used the grease paint technique which transformed him into an elderly gentleman.

## Attention Students!

Student Council Vice President, Herman Jerry, Chairman of the Scholastic Committee recently announced that there will be a ballot box placed near the entrance of school in which junior and senior students may place course request slips for the school year 1962-63. There will be slips of paper on which the student should place their name, year, the course desired and a tentative time, day or evening. The deadline for this is Friday, April 27, 7 p.m.

## Seymour Doolittle III Meet the Faculty

Well my friends, the school year is fast coming to a close. This will be the last time that I will talking to you until next fall. I'm going to miss all of you readers this summer, but I think that we have had a good year together and I'm sure that we are all looking forward to the "swingin vacation" that lies ahead. So live it up gang and don't forget your old friend Seymour "the snoop" Doolittle III.

I want to congratulate the new Student Council and class officers that have just been elected, but remember that they can't do all the work by themselves. They need our help too, so let's get behind them and give them all we've got. WE ELECTED THEM WE SHOULD SUPPORT THEM.

I've heard that Mark Biel is not too successful on making wagers. Particularly when it comes to sports events, he seems to be paying people off right and left. Well, don't give up Mark, you can't win them all, and after all what is money?

I've been talking to my friend the Roving Reporter and she tells me that Pat O'rourke and Joe Modjeski are going to be playing the Route 66 role this summer, and travel through the northwest, working their way as they go. But just in case they can't find jobs along the way; they have a whole list of Center student's relatives that they can depend on for food and shelter. Now that's smart thinking boys. So good, luck "Tod" and "Buzz." Don't forget to say hello to all the Doolittles out west for me.

I have a question to ask of some of the freshmen girls. Who is the character named "Monster" that you are always talking about in the halls and lounges? I haven't seen any Draculas or Werewolves around lately.

Is there really a difference in the way that men and women think? Kathy Mullaney and Mary Stokes seem to think so. I guess they got in quite an argument with George Close down in the newspaper room about it. The girls say and I quote, "All women think alike on one point, George. They like a man that plays hard to get. But don't you dare tell Sid and Dan that." Well, I guess the girls didn't know I was listening to there advice, and I bet I know two fellows that are really going to play "hard to get" from now on.

Well gang, aloah, adios, adieu, so long and all that jazz. Be good, have fun, and "I'LL SEE YOU IN SEPTEMBER", correction, AUGUST.

"It seems to me that I can observe in our students an added degree of seriousness of purpose in each successive term," stated the Reverend Henry J. Martin, Director and Dean at Saint Joseph's College Calumet Center. "This I find," he continued, "most encouraging in an age when college students are often considered to be irresponsible." Father Martin has served Saint Joseph's for the past twenty-two years.

Father Martin

Beginning as a faculty member at Rensselaer in 1940, he became Director of the Calumet Center in 1951. He spent a brief four years (1955-59) in missionary work and then returned to his present position.

Receiving his collegiate education at Saint Joseph's College, Rensselaer, Ind., where he earned his B.S. in biology, the priest also spent two years at Saint Charles Seminary, Carthage, Ohio. Returning to Saint Joseph's, Rensselaer, he was ordained to the Society of the Precious Blood on Sept. 8, 1940.

Father Martin acquired his M.S. in education and his Ed. D. in psychology through graduate work at Indiana University in 1945 and 1950, respectively.

Besides playing golf and directing music, predominately for the Marion Theater Guild's productions of "Carousel" and "South Pacific," the Reverend also has the unique hobby of making rosaries.

Having travelled extensively in the United States and Canada, he has also recently returned from his second trip to Mexico.

"I became interested in education," he remarked, "after my four years as a missionary in the eastern section of the country. I began to appreciate," he further commented, "the importance of a Catholic college education."

In college, Father Martin was active in sports such as tennis, football, baseball, swimming, and golf. He was also a staff member of the Saint Joseph's College, Rensselaer, monthly magazine, "Collegian" and did some writing for the "Nuntius Aulae," a literary publication of Saint Charles Seminary. He also played the violin in the college orchestra.

## High School Students Entertained On April 15

On Sunday April 15, Saint Joseph's College Calumet Center held an Open House for all juniors and seniors from the Lake and Cook counties.

The purpose for such an event was to better acquaint the interested and prospective students with Saint Joseph's and its facilities. A well organized program was set up in order to make the new student feel more at ease. As the new comers entered they were greeted by members of the student body and were asked to proceed to the reading room in order to fill out the necessary blanks. During this time there were Center students present to answer any questions the student or his parent wished answered. Having received a copy of Saint Joe's Bulletin, the summer session schedules, and a copy of SHAVINGS the student was escorted to the second floor where the speeches were held. Informing the new students and their parents on admissions facilities, and social activities were the Fathers Henry J. Martin, C.P.P.S., Director and Dean; Kern, C.P.P.S., Assistant Director and Dean; and Otte, C.P.P.S., Business Manager; Mr. Bernard Melevage, Director of Guidance; and Scott Boyett, Freshman Class president.

Following the speeches questions were answered and then the visitors were given an opportunity to see the school, again being escorted by members of the student body.

Following the tour the Parents Club, under the direction of its president Mr. Justin Seroczynski, served coffee and cookies in the downstairs lounge.

This Open House is only one of the many efforts shown by Saint Joseph's College in recruiting students. Previous to this the College has been represented at various high school for their college night activities.

## Registration Begins For Summer Session

Students whose applications for admission have been approved may register for summer classes. Registration for the six weeks spring session will be held until noon May 5, and those registering after that will be charged an extra fee of five dollars. No credit will be allowed for work done in other colleges or universities unless official transcripts are on file in the Registrar's Office prior to May 7. The tuition rate per semester hour is fifteen dollars, payable at the time of registration. The spring session begins May 7 and ends June 16.

Registration for the six weeks summer session will be held from June 1 till noon June 16. All transcripts must be on file with the office before June 18, the start of the session which ends July 28. Tuition is fifteen dollars per semester hour in all courses except education 47A, for which the fee is twenty dollars per hour. There is also a \$7.50 laboratory fee for biology 11A.

Class schedules are posted on the main bulletin board and copies are available in the Registrar's Office. All classes will be held in airconditioned rooms.
